Bolt on Pipe Handle

Order optional handles separately after selecting platform truck size. Choose either one or two pipe or rack handles for each truck. Match the platform width with the appropriate handle. Example: B28Q-3060-RT order a 409-30 Kit for a removable rack handle. Handle kits include the handle and two bolt-on pipe pockets. Handles extend 23" to 25" above deck depending on handle and truck deck thickness.

- Tubing size: 1 5/16" O D.
- All handles UPS able.
