MCS 1436 Convertible

Capacity up to 600 lbs. In 4-wheel position This rugged convertible truck is available with a capacity of 500 lb. as a 2-wheeler converting to a 600 lb. 4-wheeler with 8" semi-pneumatic wheels with self-lubricating steel bearings. The economy model is available with a capacity of 300 lb. as a 2-wheeler converting to a 400 lb. 4-wheeler with 8" semi-pneumatic wheels. Both trucks use a unique snap-button system for converting from 2-wheel to 4-wheel position and for quick height adjustment of handle and have 1 1/4" steel tubular frame for strength and durability, 3" rubber swivel caster and a overall height of 46". Features 10 gauge Super Slik™ nose plate. Durable green epoxy powder coated finish. New snap-button system for easy conversion and height adjustment. Optional snap-on deck available.
